REAL SLEEP

Real Sleep isn't just another sleep aid, it's a precision solution formulated to help your customers fall asleep faster, stay asleep longer, and wake up truly refreshed. Featuring a focused blend of five clinically supported ingredients; including black seed extract (Nigella sativa), rarely found in sleep products but proven to improve sleep quality. **Real Sleep** helps reset the body's natural sleep-wake rhythm while easing restlessness and promoting deep, uninterrupted rest.

Key Benefits

- ★ Reduces the time it takes to fall asleep
- ★ Increase total sleep time and improve sleep quality
- ★ Resets the sleep-wake cycle (for jet lag & shift work)
- ★ Traditionally used herbs promote calm and relaxation
- ★ Features black seed extract: a rising star in sleep science

NPN 80142181
